

## Entry Requirements

ALL applicants must submit a complete application packet which includes three photos of their work and one of their booth, a brief biography of the artist and a description of their artwork. **Artwork must be the original creation of the entering artist.**

## Show Format

Join us for our 3rd year of this festival. Organized by the same promoter's as the successful Olde Worthington Art Festival in June, we plan to make this another high profile event. We are looking for artists and crafters to display and sell their creations. We plan a large children's activity area, music, food vendors and more. The fest will be held on the beautiful village green in Worthington, one block from local shops and restaurants.

## Guidelines

Artisans need to provide all supplies needed for set-up, including protection from weather. Artists must provide their own tent although a tent is not required. **Stakes are not permitted** on the green because of underground wiring and sprinkling systems. **Electricity is limited** and only guaranteed to be available for concessionaires. Any display left unattended is done at the risk of the artisan. Artisan vehicles must be moved from around the green 1/2 hour prior to the show. Exhibits **must** remain open during the scheduled show time.
