PLANT FEST OBJECTIVE

This is an one day sales event to showcase a variety of plants flowers and crafts supplied by familiar Worthington Farmers Market vendors, craft vendors and by Ohio nurseries providing plant materials and crafts assembled specifically to enhance the beauty of the customers gardens. We are looking for native Ohio plants and those designated as heritage plants saved through seeds or starts from earlier gardens. These products will be highlighted among the show's annuals, perennials and decorative plants.

Craft vendors MUST submit three photos of their products with the crafters name on each photo.

SHOW FORMAT

We are looking for diversity in plant products and craft items. We will be limiting the number of participants to 40 to70 vendors in order to permit a comfortable shopping experience for customers and maximum return for vendors.
